# BEVERAGES

## CONSUMPTION BASIS

Beverages are generally charged on a consumption basis in private functions, with either a prepaid account by the host or a bar available for your guests to purchase their own drinks on the night. Only alcohol purchased from our bar may be consumed on the premises.

Please see payment details on the first page of this package.

## PRE-PAID BEVERAGE PACKAGES

These are only available for private function room bookings. Beverages are available for your guests during the designated time. Limits apply to services in accordance with responsible service of alcohol. If you would like to opt for a drink package your function co-ordinator will explain service standards and practices prior to your event. Please see payment details on the first page of this package.
