

SOMETHING CASUAL?...BBQ MENU

If you're looking for an economical function option, especially in the warmer months, you may consider a BBQ function. We have a large beer garden equipped with bench seating and two large commercial BBQ's.

The playground is well lit, so the kids can run around and enjoy the warm evenings, as you enjoy an ice-cold boutique beer, or local wine with your friends.

We will provide all plates and cutlery, cooking utensils, oil, napkins and sauces. All you need to do is cook, and forget about the washing up!
